Dear friend,

Ever since the inception of Basavatarakam Indo-American Cancer Hospital & Research Institute in the year 2000, philanthropy has played a crucial role in providing a measure of excellence that has come to define our cancer care services.

This comprehensive Cancer Care facility is serving needs of the people, particularly from Telangana and Andhra Pradesh for over a decade and half. Today's challenging cancer care environment places an increased emphasis on the philanthropic support. And there is no greater time than now to consider supporting the fight against cancer.

Your generous donations to the Corpus Fund or any specific purpose will enable us to provide Cancer care to the poor and the needy cancer patients. There are many ways to donate to the cause. You can sponsor a specific treatment of a cancer patient undergoing treatment at our hospital in full or part.

Whether your donation is for a specific purpose or to Corpus Fund created exclusively for treating poor cancer patients, the Hospital is truly grateful to your support.

Sincerely,

**N. Balakrishna**  
Chairman, Board of Trustees
